Judith Meyntz CAO

BUSINESS

OFFICE OF THE OPERATIONS DIRECTOR

September 5, 2024

Memorandum**To:** Mayor Bignucolo and Members of Council**From:** Réjean Raymond, Operations Director**Re:** Recommendation to purchase a snowplow blade system for the Chapleau Airport.

Dear Mayor Bignucolo and Members of Council:

Request

To consider purchasing a snowplow blade to replace the existing one-way snowplow and wings system at the Chapleau Airport.

Background

The existing one-way snowplow and wing system require two staffs to connect and disconnect the wing as per the manufacturer. We only have one staff working at the airport and connecting and disconnecting the wings alone is not safe.

During the budget process, it was decided to purchase a new snowplow blade system for the airport and the old one-way will be transferred to the Chapleau landfill to be used to plow and the wing will remain in storage as it is not needed.

The 2024 budget was approved with an amount of \$50,000.00 to purchase the new snowplow system.

Pricing request process

Six companies were invited to submit pricing.

We have received a total of three companies that provided pricing for the airport snow blade before the deadline.

One came in a day later and was not retained.

The following is the information that was sent to the six companies.

The Township of Chapleau is requesting pricing for a Reactor blade 4-IN-1 ANGLE BLADE (5 FT. WING) 6205 with fluid edges made by AMI Model number SB6251222FE 12 feet closed / 22 feet open or the equivalent.

The blade must be compatible with our Craig quick attach. See attached picture of the model number of the coupler on the loader and the two pictures showing the attachment on the bucket.

The John Deere 644 loader already has hydraulic plumbing on the main boom. It is the responsibility of your company to schedule a site visit to confirm what you will need to connect the blade. Please contact Sam St.

Amand at s.stamand@chapleau.ca or by calling 705-870-1334 to schedule an appointment.

Pricing to be submitted as follows:

1. Pricing for a complete blade Model number SB6251222FE 12 feet closed / 22 feet open with Craig attachment to be delivered at the Chapleau Airport.
2. One extra full set of fluid edge cutting edge for the main blade and one set for both wings to be delivered at the Chapleau Airport.
3. Labour to install and connect the blade on the John Deere 644 at the Chapleau Airport.
4. Provide an expected date of delivery

Please email your quote to rraymond@chapleau.ca no later than 10 a.m. August 26, 2024.

Here is the list of the pricing received.

	2024 Airport Plow				2024 approved budget
	Timmins Mechanical Solutions Timmins Ontario	Toromont Cat Timmins Ontario	Toromont Cat Timmins Ontario	SMS Equipment Timmins Ontario	
Airport AMI 4 in 1 blade	\$ 44,717.50	\$ 36,987.75	\$ 52,960.00	\$ 42,800.30	\$50,000.00
SubTotal	\$ 44,717.50	\$ 36,987.75	\$ 52,960.00	\$ 42,800.30	
HST	\$ 5,813.28	\$ 4,808.41	\$ 6,884.80	\$ 5,564.04	
Total	\$ 50,530.78	\$ 41,796.16	\$ 59,844.80	\$ 48,364.34	
Please note that Toromont Cat did not provide all the pricing requested. Delivery, installation and a set of spare cutting edges was not included in their pricing sheet.					
Please note that SMS Equipment quote does not included fitting, hoses and electrical parts.					

Recommendation

Staff recommends to go with Timmins Mechanical Solutions Inc since their quote included everything required in the amount of \$44,717.50 + HST. The two other suppliers did not include all the cost related to the installation and there will be extra charges that will drive the cost higher.

Sincerely,

Réjean Raymond

RE: Fall Fair

Dear Township of Chapleau,

On behalf of the Recreation Department of the Long Term Care Bignucolo Residence, we would like to request the services of the Handi-Transit Bus for the Fall Fair.

We would like the Handi-Transit Bus to be available for Friday, October 18th and Saturday, October 19th, 2024. The Residents thoroughly enjoyed this event last year and appreciated the availability of the Handi-Transit Bus. We kindly ask that the Township and Council consider donating the services to our Bignucolo Residents.

We thank you for your time, and your consideration.

Sincerely,

Louise Gaudreau

18-009-24 Press Release for GMF and Gov. of Canada Review

Chapleau, ON September 5, 2024 – The Township of Chapleau is proud to be taking a step to be a part of the clean energy revolution. Chapleau is initiating the Chapleau District Heating Project, in partnership with Commercial BioEnergy Inc., a Northern Ontario biomass energy company dedicated to assisting communities in reducing their dependence on fossil fuels. The Chapleau District Heating Project will determine the feasibility of constructing a centralized biomass fuelled heating plant to deliver heating to potentially seven public buildings within the community. This will involve converting existing heating sources from propane or electricity to biomass generated heat, using locally sourced wood chips.

This innovative project will be the first project in North America of this scale. “Chapleau is very excited about the project. The Chapleau District Heating Project has the potential to pave the way for alternative heating sources for the community. Not only will the project reduce our carbon footprint and energy costs; but also, it will be creating job opportunities and contributing to sustainable economic development through the use of locally sourced wood products.” Said Chapleau’s Mayor Ryan Bignucolo.

Bignucolo added that, “the Chapleau Project anticipates a reduction in greenhouse gas emissions of up to 90% for all targeted buildings combined. That’s huge and in addition to a significant step towards positive efforts to mitigate climate change, it provides our community the beginning of true energy security and self-reliance.”

Chapleau CAO Judith Meyntz stated, “There are many great aspects to this project, but one that is particularly exciting for us as a forestry community is the dependency on using our wood chips for the heat plant. It creates the opportunity for the wood co-products to be used from our local mill.”

When asked about the project, Robert Manseau, President of Commercial BioEnergy Inc. stated, “We are proud to be partnering with Chapleau on this significant project. This project will demonstrate the viability of biomass as an alternative to fossil fuels, which is critical for rural communities like Chapleau, and remote communities; and provide support to the area’s forest industry in consuming surplus wood chips. These Northern communities are bound by fossil fuels dependency and their high costs.”

The Chapleau District Heating Project is currently in the feasibility phase which will determine the potential for the project’s implementation in 2026. The feasibility study will include a community consultation and stakeholder engagement process, which the project team anticipates beginning soon. For more information regarding the Chapleau District Heating Project, please contact:

Nadia Piccotti
Commercial BioEnergy Inc.

CERTIFIED RESOLUTION

Date: **August 26, 2024** **Item(s) no.:** 10 (ref. a)

Subject: Resolution to Support AMCTO Provincial Updates to the Municipal Elections Act

Moved by: Jamie Laurin

Seconded by: Lisa Deacon

WHEREAS elections rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections; and

WHEREAS legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process; and

WHEREAS the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities; and

WHEREAS the Municipal Elections Act, 1996 (MEA) will be 30 years old by the next municipal and school board elections in 2026; and

WHEREAS the MEA sets out the rules for local elections, the Assessment Act, 1990 and the Education Act, 1990 also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario; and

WHEREAS with rules across three pieces of legislation, and the MEA containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill; and

WHEREAS the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce; and

WHEREAS while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges; and

WHEREAS to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities; and

WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration; and

WHEREAS AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections; therefore

BE IT RESOLVED THAT the Township of Russell calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections; and be it further

RESOLVED that this resolution will be forwarded to all municipalities in Ontario for support and that each endorsement be then forwarded to the Minister of Municipal Affairs and Housing, the Minister of Education, the Minister of Public and Business Service Delivery, Minister of Finance, the Premier of Ontario, MPP of Glengarry-Prescott-Russell and AMCTO.

MOTION APPROVED

I, Joanne Camiré Laflamme, Clerk of the Corporation of the Township of Russell, hereby certify that the foregoing is a true copy of the resolution adopted by the Council of the Corporation of the Township of Russell on the 26th day of August 2024.

Joanne Camiré Laflamme
Clerk

CANTON DE
RUSSELL
RÉSOLUTION CERTIFIÉE

Date: 26 août 2024 **Article no.:** 10 (réf. a)

Objet: Résolution visant à soutenir les mises à jour provinciales de l'AMCTO concernant la loi sur les élections municipales

Proposé par : Jamie Laurin

Appuyé par: Lisa Deacon

Attendu que les règles électorales doivent être claires, qu'elles doivent aider les candidats et les électeurs à participer aux élections et les administrateurs électoraux à organiser les élections; et

Attendu que la législation doit trouver un juste équilibre entre la fourniture de règles et de cadres clairs pour garantir l'intégrité du processus électoral; et

Attendu que la législation doit également réduire le fardeau administratif et opérationnel pour le personnel municipal en veillant à ce que les administrateurs électoraux locaux puissent organiser les élections d'une manière qui réponde aux circonstances uniques de leurs communautés locales; et

Attendu que la Loi de 1996 sur les élections municipales (LEM) aura 30 ans au moment des prochaines élections municipales et scolaires en 2026; et

Attendu que la LEM établit les règles pour les élections locales, que la Loi de 1990 sur l'évaluation foncière et la Loi de 1990 sur l'éducation contiennent également des dispositions ayant une incidence sur les élections locales, ce qui augmente le nombre d'endroits où les électeurs, les candidats et les administrateurs doivent chercher les règles qui régissent le processus démocratique local en Ontario; et

Attendu qu'avec des règles réparties dans trois textes législatifs, et que la Loi sur l'éducation contient un ensemble de clauses disparates, il y a des problèmes d'interprétation, des incohérences et des lacunes à combler; et

Attendu que la loi peut poser des difficultés aux électeurs, aux candidats, aux donateurs et aux annonceurs tiers qui doivent la lire, l'interpréter, s'y conformer et aux administrateurs électoraux qui doivent l'appliquer; et

Attendu que si les élections locales sont gérées aussi efficacement que possible dans le cadre législatif actuel, une modernisation et une amélioration continue sont nécessaires pour garantir que la loi réponde aux besoins d'aujourd'hui et aux défis de demain; et

Attendu que pour conserver la confiance du public et améliorer les garanties, la loi devrait être révisée en tenant compte du paysage en constante évolution qui a une incidence sur l'administration des élections, y compris la protection de la vie privée, les menaces d'ingérence étrangère, la propagation accrue de la désinformation et l'utilisation accrue de technologies telles que l'intelligence artificielle et l'utilisation d'identités numériques; et

Attendu que « Association of Municipal Managers, Clerks, and Treasurers of Ontario » (AMCTO) a examiné la loi et a formulé plusieurs recommandations, notamment la modernisation de la législation, l'harmonisation des règles et la rationalisation et la simplification de l'administration; et

Attendu que AMCTO a formulé des recommandations de modifications avant les élections de 2026 et des recommandations de modifications à plus long terme avant les élections de 2030; par conséquent

Il est résolu que le canton de Russell demande à la province de mettre à jour la LEM avec les modifications prioritaires décrites par AMCTO avant l'été 2025 et de commencer à examiner et à réécrire la LEM avec des recommandations à plus long terme avant les élections de 2030; et qu'il soit en outre

Résolu que cette résolution soit transmise à toutes les municipalités de l'Ontario pour obtenir leur appui et que chaque appui soit ensuite transmis au ministre des Affaires municipales et du Logement, au ministre de l'Éducation, au ministre de la Prestation des services publics et commerciaux, au ministre des Finances, au premier ministre de l'Ontario, au député provincial de Glengarry-Prescott-Russell et à AMCTO.

MOTION ADOPTÉE

Je, Joanne Camiré Laflamme, greffière de la corporation du canton de Russell, atteste que la présente est une copie certifiée de la résolution adoptée par le conseil de la municipalité de Russell le 26^e jour d'août 2024.

Dear Premier Ford:

Re: Resolution regarding a request for the Province to support family physicians

Orillia City Council at its meeting held August 12, 2024, adopted the following resolution:

"THAT, further to the correspondence dated July 31, 2024 from the City of Toronto regarding a resolution with respect to a request for the Province to support family physicians, the following supporting resolution be passed:

"BE IT RESOLVED THAT the Council for the Corporation of the City of Orillia hereby supports the resolution passed by the City of Toronto on June 26, 2024 with respect to a request for the Province to support family physicians;

AND FURTHER THAT a copy of this resolution be sent to the Honourable Doug Ford, Premier of Ontario; the Honourable Sylvia Jones, Minister of Health; the Honourable Jill Dunlop, Member of Provincial Parliament for Simcoe-North; the Association of Municipalities of Ontario; and all Ontario municipalities."

The above is for your consideration. If you require any additional information, please let me know.

Resolution regarding a request for the Province to support family physicians
